Policy Assistant, IIPA

Summary

The International Intellectual Property Alliance (IIPA) is a private sector coalition, formed in 1984, of trade associations representing the U.S. copyright-based industries working to improve copyright protection and enforcement of copyrighted materials and to open foreign markets closed by piracy and other market access barriers.

IIPA is seeking a detail-oriented, proactive, collaborative, highly motivated individual for the role of Policy Assistant supporting the Executive Director and the Director of Policy and Legal Affairs as needed. The successful candidate will possess strong work ethic, attention to detail, organization skills, and oral and written communication abilities, and will be reliable and trustworthy. The successful candidate should also have a demonstrated interest in copyright and international trade issues, as there will be opportunities to work on these issues, including providing research and preparing materials for U.S. government officials and stakeholders.

Key Responsibilities

- Support the Executive Director and the Director of Policy and Legal Affairs in the preparation and filing of submissions to federal government agencies.
- Manage the administrative aspects of IIPA’s major annual project: preparing IIPA’s annual report to the U.S. Trade Representative on intellectual property rights in the Special 301 process.
- Provide administrative support to the Executive Director and the Director of Policy and Legal Affairs, including assistance with scheduling, preparation and submittal of expense reports, budgets, and other financial documents.
- Represent IIPA as a primary point of contact for U.S. government officials, foreign government delegations, embassies, coalitions, and associations.
- Track communications and maintain files for IIPA and also assist in communication with and support of member organizations.
- Conduct research on international market developments relating to copyright and international trade matters.
- Develop presentation materials, press releases, social media content, and other communications with both internal and external stakeholders on key policy areas relating to international copyright law and policy and market access.
- Organize IIPA’s communications strategy based on member priorities, including updating and maintaining the IIPA web site and blog and promoting the organization on social media.
- Support office coordination and facilitate day-to-day operations for an innovative and leanly staffed office, including proactively identifying opportunities to provide support for IIPA’s operations and mission.
- Other relevant duties and projects as assigned, including possible substantive writing and oral presentation.

Education and Experience Requirements

- Bachelor’s degree and demonstrated experience providing administrative support.
- Experience with social media preferred.
- Experience/interest working with the copyright industries preferred.
- Oral presentation and writing/editing experience preferred.
Qualifications

- Strong oral and written communication skills.
- Ability to prepare, edit, and format detailed reports and business correspondence as well as advocacy materials such as talking points, testimony, and background materials.
- Must be organized, detail oriented, and possess the highest level of work ethic and the ability to maintain confidential information.
- Ability to solve practical problems and carry out responsibilities under minimal supervision.
- Ability to manage several tasks from multiple stakeholders, anticipate needs, determine priorities, and meet deadlines.
- Exceptional interpersonal skills; ability to professionally interact with the public and high-level executives and officials and work collaboratively with diverse constituencies and with a team.
- Ability to adapt as organization evolves, including proactively identifying opportunities to provide support for IIPA’s operations and mission.
